CTE TRCS150TE NO VOWELS

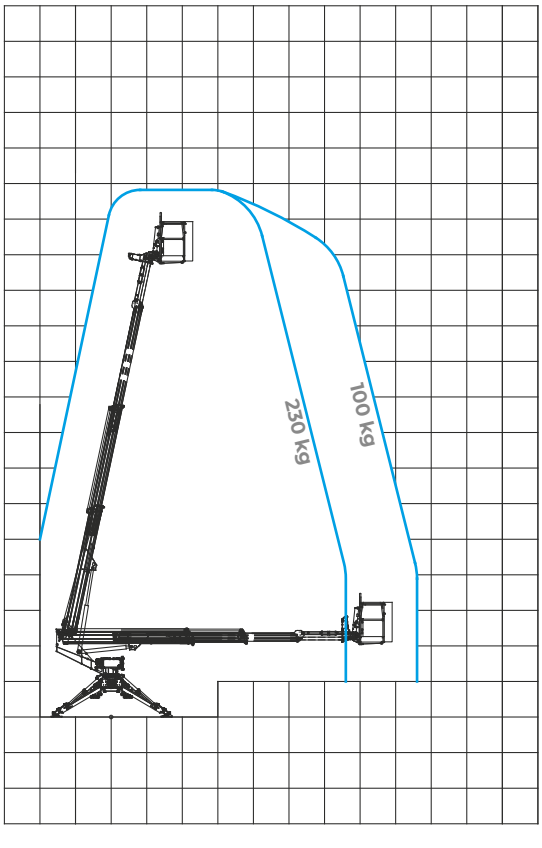

STANDARD ACCESSORIES

- Automatic closing
- Automatic stabilization
- Quick release of the basket
- Lifting Hook Support 230kg
- SSW: LED safety lights
- LED travel light
- Booms realized in profiles advanced high tensile steel
- Jib lifting during travel
- Cataphoresis treatment
- Hydraulically extendable tracks
- White non-marking tracks
- Lifting hook on stabilisers
- Extra-large outrigger plates
- Pre-installation for CTE Stab. Optional
- CTE Connect
- Integrated charger + extra battery for radio control
- Multifunction hydraulic distributor
- Manual hand pump
- 230V electric socket in the basket
- Multifunction radio control
- Auxiliary electric pump 230V-50Hz
- 10kW 48V Lithium battery pack
- Trailer transport + Trailer optional

SERIES ELECTRIC · LITHIUM BATTERY · (240Ah) 100% ELECTRIC WITH SUPERIOR RANGE
